EDUCATION

Sardar Patel Institute of Technology, Mumbai CGPA 7.56/10

Nov 2022 – May 2026

B.Tech in Electronics and Telecommunication Engineering (Minors in Computer Engineering)

Mumbai, India

- **Relevant Courses:** Data Analytics, Database Management Systems (DBMS)

WORK EXPERIENCE

LTIMindtree

Jun 2025 – Present

AI Strategy Intern

Pune, India

- Evaluated vendor capabilities across 8 major analyst firms, presenting comparative analysis to senior stakeholders.
- Analyzing **25+ assessment frameworks** and methodologies across providers to identify potential **integration opportunities** and internal pain points.

LTIMindtree

Jun 2024 – Aug 2024

Summer Intern

Pune, India

- Supported **AI team** with **data preprocessing** tasks, helping structure and clean datasets as part of ongoing data optimization initiatives.
- Conducted basic **exploratory data analysis** (EDA) and applied **NLP** techniques under supervision to identify key entities from **customer feedback data**.

KEY PROJECTS

Credit Risk Assessment Model | Python, Machine Learning

Jul 2024

- Built **classification models** (*logistic regression, decision tree, random forest*) to **predict loan defaults** with **14% improved accuracy**.
- Processed **10K+ customer records** to enable **optimized underwriting** and **credit decisioning workflows**.

Optimized FICO Score Bucketing | Python, Data Analytics

Jul 2024

- Designed a **bucketing algorithm** to fine-tune **FICO score ranges**, improving **credit classification** by **17%**.
- Created automated alerts for portfolio deterioration, enabling proactive risk management and regulatory reporting

POSITIONS OF RESPONSIBILITY

Chairperson | IEEE-SPIT

Aug 2024 – Present

- Spearheaded a team of **50+ members**, executing strategic initiatives that boosted student engagement by **30%**.
- Orchestrated the college's **largest Technical Fest**, managing a **INR 5L+ budget** and attracting **2000+ attendees**, while managing vendor relations, sponsorships, and on-ground execution.

Creatives Head | CSI-SPIT

Sep 2023 – Aug 2024

- Directed creative teams increasing event participation by **40%** through strategic marketing coordination.
- Designed **40+ promotional materials** and managed content creation resulting in **150%** increase in social media engagement.

KEY ACHIEVEMENTS

1st Place | Case Quest Competition, KJSCOE

- Formulated a **revival strategy for Yes Bank**, focusing on **digital transformation** and restructuring initiatives.

1st Place | MergeMania, E-Summit SPIT

- Architected a **Rs.7,200 Cr strategic acquisition framework** for Asian Paints x Borosil merger, projecting **118% revenue growth** and **19-22% IRR** across solar glass and premium kitchenware segments.

2nd Place | Eco-Lution, GIM

- Built an **end-to-end solution** cutting **costs by 25%** using **real-time IoT and ML-driven** demand forecasting.

National Finalist | ATLAS PwC NextGen Leaders

- Conceptualized **city-wide waste management system** reducing **operational costs by 40%** through **AI-powered routing** and **15+ integrated technology solutions**.

CERTIFICATIONS & SKILLS

JPMorgan Chase & Co. — Quantitative Research Job Simulation

Python for Data Science and Machine Learning Bootcamp

Business Analyst Bootcamp: Excel, Stats, SQL, Tableau

Tools & Languages: Python, SQL, Tableau, Jupyter Notebook, Excel, Figma.

Data Analysis: Data Preprocessing, EDA, Classification Models, Financial Analytics.

Communication & Execution: Presented insights to senior stakeholders, led cross-functional teams, managed end-to-end project execution in competitions and committees.
