EDUCATION

Sardar Patel Institute of Technology

Bachelor of Technology in Electronics and Telecommunication Engineering; **CGPA: 7.42**

2022 – 2026

Mumbai, India

PROJECTS

Advanced Portfolio Risk Management & Optimization System - *Python, NumPy, Pandas, Matplotlib, yfinance*

- Built portfolio risk model using Efficient Frontier, VaR, and Monte Carlo simulations, achieving Tangency portfolio Sharpe ratio of 1.41 (21% improvement).
- Optimized portfolios via Capital Market Line and VaR analysis, reducing volatility by 33% and enhancing risk controls.

Financial Visualization Dashboard - *Tableau, Data Analytics, Business Intelligence*

- Built interactive P&L dashboard for Ai4All.co (2018–20) with region/month/quarter filters and dedicated GP, EBITDA, OP & NP sheets.
- Created calculated fields and dual-axis visualizations to automate margin analyses and compare sales vs. marketing expenses.

AI-Powered Public Service Voice Assistant - *Gemini 2.0, ElevenLabs, Neo4j, RAG*

- Architected RAG-based AI voice assistant leveraging Gemini 2.0 Flash, ElevenLabs TTS, and real-time Google Search, enabling sub-3s access to 180+ government schemes.
- Developed 2,000+ node Neo4j knowledge graph to power context-aware voice interactions and streamline public service automation.

POSITIONS OF RESPONSIBILITY

Vice Finance Head - *IEEE SPIT*

Aug 2024 – Present

- Secured Rs.1,00,000+ in sponsorships and led financial planning for 2 major events with 1,000–2,000 participants.
- Created strategic pitch decks and directed fest budget, achieving 5% reduction in expenses.

Sports Director - *Rotaract Club of Bombay West*

Jul 2024 – Present

- Spearheaded 5 high-impact events over 6 months, engaging 300+ participants across diverse activities.
- Led 30+ member team across PR, social media, and marketing verticals, boosting participation by 20%.

Marketing Head - *Rotaract Club of SPIT*

Jun 2023 – Jul 2024

- Raised Rs.50,000+ in sponsorships from brands like Red Bull and Brooks through strategic outreach.
- Secured 13 brand partnerships through cold calls, networking, and targeted emails—60% increase over previous year.

ACHIEVEMENTS

Winner - *Case Quest, KJSCOE, Mumbai*

- Led team in developing a revival strategy for Yes Bank, focusing on digital transformation and strategic restructuring.

1st Runner-Up - *E-Guerra Product Case Study, ISB Hyderabad*

- Formulated a go-to-market strategy to scale an emerging cosmetics brand from 100 Cr to 500 Cr via competitive analysis and market expansion.

Winner - *Prakalp 3.0 Software Project Competition, FRCRCE Mumbai*

- Developed AI-based public service assistant with voice, ISL, and multilingual support. .

National Finalist (Top 12 of 29,000+ teams) - *Nation Building India Case Competition, Delhi*

- Presented a 100-medal roadmap for India's 2036 Olympics to MYAS Minister Mansukh Mandaviya.
