Education

Sardar Patel Institute of Technology

B.Tech, Electronics and Telecommunication Engineering (CGPA: 8.73/10)

Nov 2022 – Jul 2026

Mumbai, Maharashtra

S. P. Jain Institute of Management and Research

Minors in Management

Jan 2024 – Jan 2026

Mumbai, Maharashtra

Relevant Coursework

- Data Structures
- Algorithms Analysis
- APIs & Backend
- OOPs
- Database Management
- Computer Networks
- Internet Technology
- Operating Systems

Experience

Open Cloudware

Jul 2024 – Jun 2025

Trainee Research Analyst

- Produced 8+ research articles on emerging technologies by distilling complex concepts into strategic, client-aligned insights tailored to business offerings.
- Collaborated across cross-functional teams to support 5+ client projects through deep technical research, stakeholder engagement, and timely documentation under tight deadlines.

Projects

EEG Signal Classification Pipeline | Python, MNE, Scikit-learn, Random Forest

May 2025

- Preprocessed EEG data using percentile-based artifact removal and ICA to clean noise across 14-channel recordings.
- Applied bandpass filtering, normalization, and trained a Random Forest model to classify rest vs. test mental states.
- Achieved 78% classification accuracy on a dataset of 1.8M+ samples collected via Emotiv EPOC at 128Hz.

REST API for Financial Analytics | Flask, PostgreSQL, JWT

Mar 2025

- Built a Flask-based REST API with endpoints to retrieve stock prices, portfolio returns, and risk metrics.
- Implemented JWT-based authentication to secure endpoints and manage user sessions.
- Connected to a PostgreSQL backend and used SQLAlchemy ORM to manage data models and queries.

Algorithm Visualizer Web App | JavaScript, HTML/CSS, React

Feb 2025

- Developed an interactive web application to visualize sorting (Quick/Merge/Heap) and pathfinding algorithms.
- Used JavaScript and DOM manipulation to animate algorithm steps and enhance understanding of core CS concepts.
- Incorporated dynamic user inputs and adjustable speeds for educational interactivity.

Technical Skills

Languages: Python, Java, C, HTML/CSS, JavaScript, SQL

Technologies/Frameworks: VS Code, GitHub, WordPress, PostgreSQL

Positions of Responsibility

Students' Council, S.P.I.T.

Aug 2024 – Jul 2025

Finance Secretary

Mumbai, Maharashtra

- Managed financial planning and disbursement for 22+ student committees, overseeing an annual budget of Rs.50 Lakhs.
- Monitored fund utilization across 100+ student events, ensuring compliance with institutional financial policies.
- Digitized the budgeting workflow using Google Sheets, enhancing transparency and improving audit readiness.

Achievements

Aspire, SPJIMR, Sustainable Retail to Digital GTM Strategy – Winner (60+ teams)

Finvisor, SPJIMR, Investment Banking Challenge (M&A) – Top 5 (300+ teams)

MarkIIT, DoMS, IIT Madras, Strategic E-commerce Growth – Winner (150+ teams)

Ward-Level Drama Competition, School Drama Team – First Place – Inter-Ward Level
