B. Tech in Electronics and Telecommunication

Nov 2022 – July 2026

Sardar Patel Institute of Technology

Minor in Computer Science

Aug 2023 – Dec 2025

Experience

Human Resource Intern | AdiTech Plastics

Aug. 2022 - Oct. 2022

- Interviewed candidates for a plastic manufacturing factory, prioritizing Tally proficiency and high responsibility.
- Conducted an educational session on work culture to align factory workers with organizational values and expectations.

Projects

Linear Regression-Based Stock Price Prediction

Apr 20

- Built a linear regression model in Python to predict ExxonMobil stock prices from oil prices using Pandas, Scikit-learn, and Statsmodels. Applied statistical tests and confidence intervals to ensure model reliability.
- Performed data cleaning, feature engineering, and exploratory analysis. Validated model accuracy with cross-validation and evaluated performance using MSE, RMSE, and residual analysis.
- Visualized results with clear plots and automated model saving with Pickle for deployment and reproducibility.

Inventory and Profitability Optimization – Python(Pandas), SQLite, Jupyter Notebook

Dec 2024

- Quantified bulk buying savings (72% lower costs) and highlighted profit gaps among vendors through statistical analysis.
- Presented clear, data-driven insights to business leaders to inform inventory restocking and procurement strategies, resulting in improved stock availability and reduced excess holding costs.
- Delivered executive recommendations on pricing, inventory clearance, and vendor diversification to reduce risk and boost profitability.

Spotify Music Analysis Dashboard - Power BI

May 2024

- Developed a Power BI dashboard to analyze Spotify music data with interactive visuals, filters, and dynamic insights.
- Combined multiple visuals including KPIs, trend charts, tables, and image slicers to deliver comprehensive music insights on a single page.
- Enabled advanced user interactions with synced slicers, top-N filters, and interactive drilldowns for enhanced data exploration.

Positions of Responsibility

Cultural Secretary | *Student Council, SPIT*

Aug. 2024 – Present

- Championed campus wide cultural engagement through strategically curated events across departments.
- Supervised 23 student committees and orchestrated the execution of 50+ cultural initiatives across the academic year.
- Spearheaded a 150+ member cross-functional team to execute a 3-day college cultural festival featuring 10+ large scale events, ensuring seamless coordination of logistics and on-ground operations.
- Managed end-to-end financial planning, secured sponsorships, and negotiated artist contracts to deliver a high impact, cost effective cultural experience.

Chairperson | *Mudra, SPIT*

Sept. 2024 – Present

- Founded the college's official dance team and music band, building performance-ready groups from the ground up.
- Expanded annual dance and music events from 2 to 8, notably increasing student participation and cultural visibility.
- Represented the college at 8 intercollegiate cultural competitions with the band across Mumbai.
- Collaborated with cultural heads of peer institutions to co-host and coordinate cross-college events and initiatives.

Vice - Chairperson | *National Innovation and Startup Policy(NISP) Council, SPIT*

Sept. 2023 – Aug. 2024

- Led a 26-member team to organize industrial visits and innovation-focused events, fostering entrepreneurial awareness.
- Conceptualized and executed Dreams and Deals, a campus-wide startup-themed treasure hunt with 100+ participants.

Achievements

IIM Bangalore, Conquest | National Finalist

Dec 2024

Developed a scalable strategy to empower LGBT+ youth via upskilling and inclusive hiring; placed in the top 8 out of 350+ teams nationwide at IIM Bangalore's Conquest Case Competition.

SPIT Andheri, Acquisition Arena | First Place

April 2024

Pitched the acquisition of one company by another, detailing operation strategy and highlighting their synergy.

NMIMS Mumbai, The Marketing Challenge | Second Runner Up

July 2024

Developed a marketing strategy for PddFalcon, a steelware brand, distinguishing them from other competitors.
