EDUCATION

Sardar Patel Institute of Technology <i>Bachelor of Technology - Electronics and Telecommunications (CGPA: 8.06)</i>	Nov 2022 – Present Mumbai, India
Sardar Patel Institute of Technology <i>Minor in Computer Engineering</i>	Aug 2023 – Present Mumbai, India

EXPERIENCE

Digital Marketing Intern <i>SmowCode Pvt. Ltd.</i>	June 2024 – July 2024
• Built and optimized a company blog website, improving SEO and contributing to a 15% increase in organic traffic within two months. • Collaborated on HR functions, conducting 10+ candidate interviews and streamlining the hiring pipeline. • Managed and grew social media presence, implementing content strategies that led to a 25% boost in engagement.	

PROJECTS

Credit Risk Prediction in Python <i>Python, Scikit-learn, Pandas</i>	May 2025
• Processed and analyzed 10,000+ bank loan records and achieved 83% accuracy using Logistic Regression. • Trained and evaluated Random Forest, SVM, and Logistic Regression models on an 80/20 split; improved SVM accuracy to 82% using GridSearchCV and achieved the best performance of 83% with Logistic Regression, validated through 10-fold cross-validation. • Visualized key insights via EDA and confusion matrix heatmaps, identifying prediction challenges and improving model interpretability.	
British Airways Customer Review Dashboard <i>Tableau</i>	April 2025
• Analyzed 10,000+ customer reviews from 2 structured datasets to design and develop an interactive dashboard incorporating 7 key performance metrics and advanced filters, enabling deeper user exploration. • Designed 4+ interactive visuals (geo-map, bar chart, time-series, KPI) to enhance user insight and engagement. • Implemented dynamic metric selection and cross-dashboard filters, improving user experience and analysis flexibility by 40%.	
Walmart Sales Data Analysis Using SQL and Python <i>Python, SQL, Pandas</i>	Feb 2025
• Cleaned and processed a 10,000-row Walmart sales dataset using Python and Pandas, enhancing data quality. • Solved 9 business problems with advanced SQL queries, uncovering sales trends and customer insights. • Identified top 5 branches with declining revenue, supporting strategic decision-making.	

LEADERSHIP

Executive Head <i>Entrepreneurship Cell, S.P.I.T.</i>	Aug 2024 – May 2025
• Spearheaded the technical execution and coordination of high-impact entrepreneurial events and competitions. • Strategized event formats, logistics, and audience experience to maximize engagement and operational efficiency. • Cultivated partnerships with startups and industry leaders to strengthen the cell's external network.	
Head of Public Relations <i>Oculus, S.P.I.T.</i>	Sept 2023 – April 2024
• Directed the external communications strategy to enhance the public image and engagement of Oculus. • Established and maintained relationships with media partners, sponsors, and student bodies.	

SKILLS AND HOBBIES

Languages: Python, SQL
Libraries: Pandas, Matplotlib, NumPy, Seaborn, Scikit-learn
Tools: Microsoft Office Suite, Tableau, Power BI, Canva
Hobbies: Traveling, Swimming, Baking
