## PROJECTS

MediConnect | Flutter, Firebase Mar 2024

- **Designed and developed** a user-centric, **secure** platform for doctor discovery, appointment scheduling, and prescription management, enhancing **accessibility** and **usability**.
- **Implemented** medication scheduling with **automated reminders** to improve patient adherence and health outcomes.
- **Leveraged Firebase** for **cloud-based** secure storage, **real-time data synchronization**, and scalable data management.

TicTacToe - Multiplayer | Flutter, Node.js, Socket.IO Dec 2024

- Designed and developed a **Tic-Tac-Toe** platform enabling **multiple players** to compete online with **real-time updates and interactions**.
- Implemented both **client-side (Flutter)** and **server-side (Node.js, Express)** functionalities for seamless integration and high performance.
- Utilized **Socket.IO** to deliver instantaneous game updates and **synchronous interactions**, enhancing the user experience.

BharatNFT | React, Solidity, Ethereum, IPFS Ongoing 2025

- Built a **decentralized NFT** marketplace for **Indian artists to tokenize and sell digital art**.
- Designed a user-friendly **React interface** with creator verification and **real-time analytics**.
- Integrated **cross-chain bridges** for scalable and **low-cost blockchain transactions**.
- Used **IPFS** for secure, **tamper-proof**, decentralized asset storage.
- Developed **smart contracts** for secure **minting, ownership, and royalty management** on **Ethereum/Polygon**.

## TECHNICAL SKILLS

**Programming Languages:** C, Java  
**Web Development:** HTML, CSS, React.js, Flutter  
**Databases:** MySQL, Firebase  
**Tools:** Tableau, Git, GitHub, Figma

## POSITION OF RESPONSIBILITY

Aelaan-E-Jung- Dance Event Competition Mar 2024  
*Head of Public Relations and Marketing*

- **Promoted** college dance events across **Mumbai** through campus outreach, **media coordination**, and targeted **social media campaigns** to drive high audience engagement.
- Secured **in-kind sponsorships** and **brand partnerships**, developing creative marketing strategies to boost participation and enhance the **college's cultural brand**.

## ACHIEVEMENTS

- \* Solved **580+** **LeetCode problems**, demonstrating strong problem-solving skills.
- \* Awarded **Best Student of the Year** for academic and extracurricular excellence.
