Career objective: Final-year Computer Engineering student looking for full-time opportunities in Software Development. Gained practical experience in web development, payment integration, and web accessibility through academic and personal projects. Eager to apply and grow my skills in a collaborative development environment.

Education:

- Sardar Patel Institute of Technology**
B. Tech in Computer Engineering, Final Year.

2022-2026
- Sanjay Ghodawat International School**
Higher Secondary Certificate (Science)

2020-2022

Projects:

- Network Intrusion Detection System (NIDS) - Major Project**
Tech Stack: Python, TensorFlow, Keras, Scikit-learn, Matplotlib, Jupyter Notebook, GitHub

 - Built a basic Network Intrusion Detection System using the CIC-IDS 2017 dataset
 - Preprocessed and balanced the data, performed feature extraction, and trained deep learning models
 - Combined CNN and GNN models to improve detection accuracy and handle complex attack patterns
 - Used visualizations to understand traffic patterns and support model training
- ExclusiveTech.in - Personal Website**
Tech Stack: HTML, CSS, JavaScript, PHP, Razorpay, Google AdSense

 - Created a responsive, accessible website to post job offers and blogs
 - Integrated Razorpay for simple product purchases and payment handling
 - Added Google AdSense to enable blog monetization
 - Focused on clean design and screen reader compatibility using semantic HTML and ARIA attributes

Technical Skills:

- Programming Languages:** C, Java, Python, JavaScript, PHP
- Web Development:** HTML, CSS, JavaScript, PHP
- Database:** SQL
- Tools & APIs:** Razorpay API, Google AdSense
- Machine Learning Basics:** CNN, GNN, Scikit-learn

Technical Highlights:

- Gained foundational knowledge of web and ML technologies through personal projects
- Built and hosted a functional website with payment and monetization features
- Worked independently on end-to-end project development using online resources

Interests:

- Web application development
- Exploring accessible design practices
- Playing musical instruments
