

SUHANI GARATE

suhani.garate22@spit.ac.in | Mumbai, India

PROFESSIONAL SUMMARY

- Final-year computer engineering student with a curiosity for how systems work and how to make them better.
- Keen interest in backend development, REST APIs, scalable systems, and applying AI in real-world use cases.
- Enjoy working on cross-functional projects, debugging deeply, and optimizing for performance and clarity.

INTERNSHIP AND PROJECTS

- **Machine Learning Intern – V.I.G.I.L, SPTBI (Mar 2025 – May 2025)**
 - Built a real-time fire detection system using CNNs on CCTV feeds for early disaster alerting.
 - Used OpenCV and Python to develop and deploy models on edge devices for low-latency response.
 - Sole author of a research paper under academic peer review.
- **InventorySync – RESTful Inventory Management System**
 - Built a full-stack inventory manager using Flask, React, and MongoDB with RESTful APIs and modular service layers.
 - Implemented authentication, CRUD operations, and low-stock alerts with JWT and role-based access control.
 - Tested and documented APIs using Postman and Swagger; optimized endpoints for async scalability.
 - Designed with principles transferable to microservices and enterprise systems.
- **Real-Time Language Converter – IIT Bombay (GenAI) [Certificate]**
 - Integrated GPT-3.5 to simplify English text and used Google Translate + pyttsx3 for multilingual speech synthesis.
 - Created a Streamlit-based app for simplified communication in education and public service.

LEADERSHIP & IMPACT

- **Event Head – Sports Committee (2023–2024)**
 - Led 150+ volunteers in organizing inter-college tournaments, handling logistics, scheduling, and crisis resolution.
- **Senior Correspondent – SPIT Media Cell (2023–2024)**
 - Published official reports and wrote college-wide articles; co-managed editorial and print workflows.
 - Organized “Open Mic 2024” with cross-committee collaboration and 400+ attendees.
- **Teaching Volunteer – Abhyudaya (Summer 2024)**
 - Taught math to 45 underserved 6th-grade students using animated decks and custom worksheets.
 - Final test score median was 55/100 – highest in 3 years of the program.

ACHIEVEMENTS

- **Taekwondo**
 - National-level gold medalist with multiple podium finishes across state championships.
 - Represented India at the World Junior Championship 2019.
- **Kathak**
 - 8+ years of training; performed at national-level events and official inaugurations.
- **Poetry Writing**
 - Published in anthologies; won Delhi Poetry Slam 2022 for an original titled *Being Misfit*.

SKILLS & INTERESTS

- **Programming Languages:** Python, JavaScript, SQL (PostgreSQL, MySQL), C, HTML/CSS
- **Libraries & Frameworks:** Flask, React, Node.js, Express, Streamlit, Scikit-learn, TensorFlow, OpenCV, TailwindCSS
- **Tools & Platforms:** Git, Postman, MongoDB, Swagger, Google Colab, OpenAI APIs
- **Core Concepts:** Data Structure and Algorithms, OOP, REST APIs, Web Services, System Design
- **Interests:** Taekwondo, Reading, Kathak, Teaching, Writing
