EDUCATION

- | | |
|---|------------------|
| • Bachelor of Technology in Computer Science and Engineering (AI/Machine Learning) | 2022–2026 |
| <i>Sardar Patel Institute of Technology, Mumbai</i> | CGPA: 7.6 |
| • Higher Secondary Certification (Science) | 2021–2022 |
| <i>Ligade Patil Jr College of Science, Karad</i> | Percentage: 87.5 |

PROJECTS

Guide Allocation System | *Node.js, Express.js, MySQL, JWT, Postman* **Jan 2024 – Mar 2024**

- Developed backend to automate guide allocation for academic projects based on availability and specialization.
- Integrated **Role-Based Access Control (RBAC)** using **JWT** to segregate permissions for Admins, Guides, and Students.
- Designed and normalized **MySQL schema** and tested all endpoints via **Postman** for robustness and consistency.
- Ensured scalability by adhering to modular design and API-driven architecture.

Content-Based Movie Engine | *Python, streamlit, Machine Learning* **June 2025**

- Built a Content-Based Movie Recommender System using **Python** and **Streamlit** for interactive web-based suggestions.
- **Cosine similarity** on **feature vectors** obtained from movie metadata was used to engineer the recommendation logic.
- Improved the visual user experience by dynamically retrieving movie posters using the **TMDB API**.
- Loaded and managed preprocessed data using **Pickle**, enabling fast runtime performance.
- Designed a responsive UI using **Streamlit columns and select boxes** for smooth user interaction and multi-movie display

BurnAfterRead | *React, Express.js, Socket.io, MongoDB* **Jun 2025**

- Built a secure messaging platform supporting **one-time secret messages** and **timer-based expiry**.
- Implemented **end-to-end AES encryption** using a **60-digit key** via CryptoJS to ensure message privacy.
- Enabled **completely anonymous usage** with no login for confessions, and no data storage, tracking, or logs.
- Integrated **Socket.io** for real-time message delivery and **Kinde Auth** for access-controlled private messaging.

TECHNICAL SKILLS AND INTERESTS

Languages: C, Python, HTML/CSS

Web Dev Tools: Node.js, Express.js, Git, GitHub

Frameworks: React.js

Cloud/Databases: MongoDB, MySQL

Relevant Coursework: Data Structures & Algorithms, Operating Systems, OOP, Big Data Analysis, Explainable AI

Areas of Interest: Web Development, Data Analysis, Machine Learning

Soft Skills: Problem Solving, Self-learning, Presentation, Adaptability

POSITION OF RESPONSIBILITY

Chairperson – IIC, Sardar Patel Institute of Technology **Aug 2023 – May 2024**

- Contributed plan IIC-sponsored innovation-driven events and awareness campaigns, such as entrepreneurship workshops, expert talks, and ideathons.
- Oversaw student participation, reporting, and outreach for national projects like the YUKTI Innovation Repository and the Smart India Hackathon.
