Education

Sardar Patel Institute of Technology | CGPA: 8.4/10

B.Tech in Computer Science and Engineering

Nov 2022 – Present

Mumbai, Maharashtra

S. P. Jain Institute of Management and Research

Minors in Management

2023 – Present

Mumbai, Maharashtra

Work Experience

behooked.co ([Visit](#))

June 2024 – October 2024

Software Development Intern

Mumbai, Maharashtra

- Engineered a fully **automated AI video creation** platform in **60 days** using **FFmpeg, Flask, RunPod** and **3D** avatar generation, attracting **1,000+** waitlist signups via **Product Hunt** and reducing manual editing effort by **80%**.
- Designed scalable infrastructure with **AWS, Supabase, and Docker** to support **real-time sync** and **100+** **automated video** processes/day; improved beta retention by **25%** through **GTM** and onboarding optimization.
- Incorporated **Next.js, Node.js, Python, and Selenium** into the AI video platform to enhance user experience, real-time notifications, and **workflow automation**, reducing user **turnaround time** by **40%**

Technical Skills

Languages / Web-Tech: Python, Java, SQL, Flask, Node, HTML, CSS, Selenium, Next, MongoDB, AWS

Technologies/Frameworks: MS Excel, Powerpoint, Canva, Git, Docker, VBA, Tableau, Jenkins, Figma

Soft Skills: Project Management, Leadership, Team Communication, Strategic Analysis, Multi-tasking

Projects

Fred, Reach Automation | Python, Selenium, Flask, MongoDB, Ngrok

May 2025 - Present

- Developing a **Selenium-based automation system** capable of scraping **95%+** of dynamic websites, with **NLP-driven pipelines** to **extract, categorize, and contextualize data** accurately and efficiently.
- Automating delivery of **5,000+** targeted emails per week via **SMTP** with rate limiting, logging, and tracking; implemented **Twilio Voice API** and push notifications to trigger **real-time voice alerts**.

Saheli, Odoo Gandhinagar | React, React Native, Flask, Node, Django | [Demo](#)

April 2025

- Spearheaded the development of **3 offline-first apps** with **20+ innovative features** across safety, financial literacy, and personal growth, impacting users in **real-time** and **low-connectivity environments**.
- Engineered an advanced **SOS system** featuring **real-time location/audio/video streaming**, snatch detection, and **OTP validation**; integrated AI-driven job matching and multilingual support using **KNN and RL**, enhancing accessibility and personalization by **70%**.

Logithon, Softlink(IITB) | Django, Python, React, React-Native, NLP, BERT, Streamlit | [Demo](#)

July 2024

- Engineered a microservices-based AI compliance platform using **Flask, MongoDB, and CrewAI agents**; integrated **YOLOv11 OBB** for **99.2% accurate image-based item detection** and real-time compliance checks from **22+** global sources (**FedEx, UPS, WTO**), reducing manual intervention by **85%**.
- Developed end-to-end system with React (web), React Native (mobile), and Twilio messaging; enabled **bulk CSV uploads, parallel processing, multilingual NLP chatbot**, and automated PDF/CSV/WhatsApp reports.

Position of Responsibility

Executive Head W.I.E

November 2024 – Present

- Led and managed a committee of **30+** members and **5** executives to execute **4+** large-scale events, driving a **230%** increase in funds raised compared to the previous year through **strategic marketing** and **outreach efforts**.
- Oversaw **end-to-end event logistics**, including organizing a campus-wide **hackathon** with **150+** registrations and building a **centralized onboarding website** to streamline participant experience.

Marketing Head, National Innovation and Startup Policy Council

November 2023 – Aug 2023

- Directed **marketing and finance**, achieving **60% YoY growth** in funding through targeted outreach and sponsorships.
- Coordinated an **industrial visit** to **KPMG's Experiential Center**, boosting industry exposure and development.

Achievements & Certification

1st Place: KJ Somaiya Hackathon and Aervati Hackathon (**Top 1** out of **1,500+** and **680+** participants respectively)

3rd Place: SP Jain Global Technovate (**Top 3** out of **250+** teams), Logithon – IIT Bombay (**Top 3** out of **1,200+** teams)

4th Place: IIT Kharagpur Analytics Competition (**Top 4** out of **1,500+** competitors)

Finalist: IIM Indore Imperium Strategy Case Competition (**Top 16** out of **3,000+** competitors)

State Silver Medalist: Swimming – Maharashtra State Championship

National-Level Rubik's Cube Solver: Speedcubing Competitor

Certification: Python – The Complete Bootcamp from Zero to Hero ([Certificate](#))
