EDUCATION

Sardar Patel Institute of Technology
Bachelor of Technology in Computer Science (Artificial Intelligence & Machine Learning)

Mumbai, India
2022 – Present

ACHIEVEMENTS

- **1st Place**, *HERE Technologies India Hackathon*
 - **1st Place**, *VESIM Data Analytics Competition*
 - **Top 10**, *IEEE Airavat AI Hackathon*
- May 2025
Feb 2025
April 2025

PROJECTS

- WikiComics** | *GenAI, Text-to-Image Transformer, LLM*
- April 2025
- A **GenAI** platform converting Wikipedia content into personalized educational comics using **LLaMA3** and **FLUX.1-dev**.
 - Applied Chain-of-Thought prompting for content structuring and optimized inference techniques for consistent comic generation.
 - Built **Langchain pipeline** supporting multiple comic styles with gamified progression and multilingual delivery.
- SpendWise** | *LangChain, Prophet, FAISS, HDBSCAN, Encoders*
- Feb 2025
- Built **AI-powered finance app** with automated expense categorization using multi-modal classification pipeline.
 - Implemented hybrid approach combining **semantic search**, **behavioral clustering**, and **zero-shot classification**.
 - Integrated **Prophet time series forecasting** to predict future spending patterns and seasonal trends. Delivered adaptive budgeting insights with continuous learning through user feedback loops.
- GeoLoopAI** | *Networkx, OpenCV, QGIS*
- May 2025
- Detected roundabouts in shapefile-based map data by converting maps to **graphs** and filtering cycles using **compactness ratio** and structural features like size, road connectivity, and clustering.
 - Further refined results using **OpenCV's** grayscale conversion, Gaussian blur, and **Hough Transform**, successfully refining geospatial data by **99.84%**.
- DataSage** | *LangChain, Groq, Scikit-Learn, Pandas, Matplotlib*
- March 2025
- Built **no-code platform** with drag-and-drop analytics and preprocessing for non-technical users.
 - Integrated LangChain with Groq LLM for **natural language to SQL conversion** enabling data exploration.
 - Enabled users to **generate professional graphs and visuals** through intuitive no-code interface for comprehensive data analysis.

EXPERIENCE

- Godrej Infotech Ltd.**
Data Analytics Intern
- Mumbai, India
July 2024 – July 2024
- Built **data models** with relationship mapping and developed **PowerBI dashboards** for comprehensive business insights.
 - Implemented **SQL query optimization** techniques to improve data retrieval performance and created **KPI tracking systems** with **automated reporting solutions**.

SKILLS & CERTIFICATIONS

- Programming Languages:** C++, Python, SQL.
- Technologies and Tools:** MySQL, LLM, LangChain, RAG, PowerBI, Streamlit, MongoDB, Flask, FastAPI.
- Libraries:** Pandas, Numpy, Scikit-Learn, PyTorch, Matplotlib, Seaborn, Hugging Face.
- Soft Skills:** Communication, Leadership, Team Player, Problem-solving skills, Optimistic.

EXTRA-CURRICULAR EXPERIENCE

- Head Of Creative Department – Oculus Festival** – Led creative strategy for SPIT’s flagship cultural event, coordinating multiple teams and activities.
- Marketing & Creative Head – IPL Auction** – Secured sponsorships and managed event team for successful auction with over 300 participants.
- Member of MUDRA Committee** – Active member of MUDRA, the fine arts committee of our college.
- Cricket Captain** – Led the school cricket team for 2 years and represented school in 4 more sports: Football, Table Tennis, Baseball, and Throwball.
