EDUCATION

Sardar Patel Institute of Technology, Mumbai <i>Bachelor of Technology in Computer Science and Engineering (Data Science)</i>	2022 – 2026
Alpha Junior College, Mumbai <i>Higher Secondary Certificate (HSC)</i>	2020 – 2022
National English School, Virar (E), Mumbai <i>Secondary School Certificate (SSC)</i>	2019 – 2020

PROJECTS

Recommendation System [Link] <i>K-Means Clustering, KNN, Collaborative Filtering, A/B Testing</i>	Jan 2025
- Built a recommendation engine using collaborative filtering to personalize user suggestions based on historical interaction patterns. - Applied K-Means clustering and K-Nearest Neighbors (KNN) to segment users and identify behavioral preferences for better targeting. - Implemented A/B testing to evaluate multiple recommendation strategies, observing improved click-through engagement.	
Customer Acquisition Analytics Study [Link] <i>Python, Pandas, NumPy, Tableau, EDA</i>	Dec 2024
- Performed exploratory data analysis on 15,000+ customer records to uncover patterns affecting acquisition and retention. - Identified high-performing digital channels and demographic segments contributing to increased conversion and reduced cost per acquisition. - Visualized insights in EDA, tracking KPIs like conversion rate, retention trends, and engagement lifecycle.	
Risk-Based Authentication System <i>Machine Learning, React, Flask, Python, Scikit-learn</i>	Nov 2024
- Developed a machine learning model to distinguish between legitimate and suspicious login attempts using user behavior and device metadata. - Built an intuitive React-based frontend and connected it with the ML model via Flask APIs to enable real-time risk assessment. - Achieved a strong balance of accuracy and speed, enhancing user experience while reducing unauthorized access.	

TECHNICAL SKILLS

Programming Languages: Python (Pandas, NumPy), SQL, JavaScript, HTML, CSS
Data Science: Data Visualization, Business Analytics, Machine Learning
Frameworks and Tools: Git, Github, React
Soft skills: Team collaboration, Communication, Leadership, Adaptability

ACHIEVEMENTS & LEADERSHIP

Executive Head & Marketing Head <i>Oculus - SPIT Gaming Committee</i>	Aug 2023 – May 2024
Football Team Captain <i>SPIT Sports Committee</i>	2023 – 2024

ACADEMIC ACHIEVEMENTS & CERTIFICATIONS

National Case Study Competition: Participant at E-Cell SPIT, presenting data-driven business solutions
Frontend Hackathon: Participated and designed a website to help students with DSA

EXTRACURRICULAR ACTIVITIES

Sports Leadership: Football Team Captain at SPIT for 2 years, organizing training sessions for 25+ team members
Creative Arts: Short film enthusiast and director, won Runner-Up for creative storytelling in 2023 college festival
