Summary

A detail-oriented and analytical Master of Computer Application candidate with a strong foundation in data analysis, software testing, and programming in Python, Java, and SQL. Interested in applying problem solving skills and a commitment to quality assurance.

Education

Sardar Patel Institute of Technology (S.P.I.T.)

Master of Computer Application (CGPA: 9.04/10)

Mumbai, India

Sep 2024 – July 2026

Chikitsak Samuha's S.S. & L.S. Patkar College of Arts & Science

Bachelor of Science, Information Technology (CGPA: 9.68/10)

Mumbai, India

Sep 2021 – Mar 2024

Technical Skills

Languages: Python (Pandas, NumPy, Scikit-learn), Java, SQL, R, C++

Databases: MS SQL Server, MySQL

Developer Tools: Git, GitHub, VS Code, Power BI, MS Excel

Projects

Smart Cradle

April 2023 – June 2023

Project

- Engineered a data processing pipeline in Python to handle real-time sensor data, ensuring data integrity and completeness for a neural network model that achieved 90% accuracy.
- Designed and executed a testing strategy, including functional and performance tests, to validate the system's cradle control logic and live video feed, reducing parental response time by 50%.

Anonymous Sphere

December 2023 – February 2024

Project

- Implemented robust data validation and sanitization for user inputs to safeguard data integrity and ensure user anonymity, successfully supporting 500+ users.
- Performed functional and security testing using manual and automated scripts, identifying and documenting bugs in JIRA to reduce identity-related security risks by 95%.

Publications

Cloud Computing: A Review, Kshitija Nilesh Saitavdekar, Teli Leena. *JETIR Journal*, Volume 10 Issue 6, June 2023, [Link](#)

Anonymous Sphere: Elevating Peer-to-Peer Learning, Kshitija Nilesh Saitavdekar, Prathamesh Mahendra Raut, Mrs. Namrata Kawale-Shinde. *IRJMST*, Volume 15 Issue 4, April 2024

KitchenWhiz: A Smart Kitchen Automation Robot Revolutionizing Home Cooking, Kshitija Nilesh Saitavdekar, Ms. Pooja Amin. *IRJMST*, Volume 10 Issue 6, April 2024

Leadership / Extracurricular

Training and Placement Coordinator, Training and Placement Office

Sep 2024 – Present

- Enhanced placement readiness for **150+ students by 35%** by organizing **10+ targeted training sessions** and driving inclusive strategies that achieved **100% student participation**.
- Acted as the primary liaison for **8+ companies**, streamlining the campus recruitment process and successfully coordinating to secure internship and full-time offers for students.

Public Relations Head, ACSES

Sep 2024 – Present

- Drove a **60% boost in event participation** to over **100 attendees** by designing **5+ creative PR campaigns** and leading targeted outreach to **15+ student organizations**.
- Overhauled event logistics for **10+ events** by implementing streamlined processes, successfully **cutting administrative delays by 70%** and improving overall execution.

Certifications

- * **Coding for Data**, Sololearn, 2024
- * **Machine Learning**, Sololearn, 2023
- * **Start Guide to Robotic Process Automation**, Chikitsak Samuha's S.S. and L.S. Patkar College of Arts and Science and V.P. Varde College of Commerce and Economics, 2023
- * **Advanced Python for Data Analytics**, Patkar-Varde College and Devellearn, 2022
